## CORE COMPETENCIES

We are experts in the fabrication, installation and maintenance of all types of fencing, including: chain link, wood, ornamental steel and aluminum, PVC vinyl, sports netting, temporary construction fencing, highway/bridge fencing and custom fencing of all types.

## DIFFERENTIATORS

Best Fence – DC is the only CBE-certified commercial fencing installer headquartered in the District of Columbia.

Our team has over 50 years combined experience in the commercial fencing industry and can tackle any challenge.

Best Fence – DC has experienced installation crews, a stocked material yard, and a fabrication facility ready for action at all times.

## PAST PERFORMANCE

Best Fence – DC has handled projects such as over \$360,000 of custom wood, aluminum and steel fencing and gates on a large commercial project in the Hill East neighborhood in DC and large-scale installations at Audi Field for DC United.

Our key executives have a depth of experience managing on-call maintenance contracts for the largest counties throughout the state Maryland.

This experience and expertise in municipal maintenance and line item contracts positions Best Fence – DC as a valuable contributor to the fencing needs of DC Public Schools, Parks and Recreation and Department of Public Works.
